Dear Dr. Reed,

I cannot thank you enough for taking the time to present to our 2007 Annual Convention! Those who attended your session had nothing but positive things to say about the presentation which you made. In fact your session was the highest rated of the eight sessions which were part of our convention weekend.

We sincerely appreciate the personal and caring approach which your session took and the way that you added humor to keep the day fun for our attendees. In addition, attendees consistently noted that the quality of material which you presented was first rate.

Know that as we plan future events, your name will be at the top of our list as we consider potential speakers!

Thanks for all you do for this profession.

Sincerely,

Woody Woodward
Executive Director
